AN INDEX TO THE BOOK

Cimarron Seco: The Life, Times and History
Of a Dry Cimarron Valley Cowboy

By: Jay T. Brown, Jr., as told to Joe Winter

This book is a recording of the oral history of Jay T. Brown, Jr., and is full of pictures and stories of the Cimarron Valley, 416 pages and 558 names – but it was printed and issued without an index of those names. This compiler has prepared this index in an attempt to help the researcher to more easily use this important historical work.

A name appearing on consecutive pages is denoted by indicating with a dash that all pages inbetween have that name listed somewhere, i.e., “Jones, C. T.5-8” would indicate that that name was listed on pages 5, 6, 7, and 8.

A list of the photographs is also appended for ease in verifying if a photograph is included in the work.
